Objective

Hello, I am Hafanul. I am an honest person with a cool head and fast learner. I am a computer science & engineering student. I can provide you with good administrative & team support. Client satisfaction is my prime objective. I always like to keep everybody happy.
I have following skills:

- Teamwork & Lead team.
- Creative Thinking & Solving Problem.
- Machine Learning. (Neural Network, SVM, etc.)
- TensorFlow.
- Data Structure & Algorithm.
- C, object-oriented C++, Java, Python programing.
- Web Development (HTML5, CSS, PHP).
- MySQL & RDBS.
- Web / Internet research.
- Electrical Circuits.
- Graphic Design (Photoshop, Audio, Video).
- Word, Excel & PowerPoint.
- Auto cad - Civil engineer Drawing(2D).

Work experience

- Open learning (October 2016 — Present)
- C, C++
- I teach C & object-oriented C++ for free to those people who wanted to learn.

- Web Development (June 2020 — Present)
- Html, PHP, CSS, (Start learning Laravel)
- I build lite project for self-learning.

- Hardware and software (October 2006 — Present)
- Computer component
- Working with all type of Operating System. [windows (XP, Vista, 7, 10, 11, server), Linux (Manjiro, Ubuntu, Mint etc.), MacOS, Android]
- I am using computer from 2006, I have very high skill in finding computer hardware & software related issues if occur.

- Machine Learning (January 2021 — Present)
- Image Detection and Classification with Neural network
- I can create Convolution Neural Network CNN model. Train that model make sure it can apply in android apps or other application such as robotics, AI vision.

Work Interests

I can work in any position as Team member or team leader also software developer, web developer, hardware, network management. New creative work is much appreciated. Interested learning new things and topic.

Education

- BSc in Computer science and Engineering   // Bachelor
- East West university (August 2016— September 2021)

- BSc in Civil Engineering   // left
- Stamford university (August 2015— August 2016)

- HSC in Science   // Secondary
- Khilgaon Ideal College (June 2013 — 9 August 2015)

- S.S.C in Science   // Primary
- Khilgaon Govt High School (9 May 2013)

Interests

Teamwork, Invention, Creative work, FPS Gaming, New Operating System testing, playing with hardware, Music, helping people.
